Charlie's Corner

Hi! My name is Charlie, and I live at City Hall. Some of you may have met me before when you have come into the office to conduct business. If we have not yet met, stop in and say "Hi"!

Interesting Fact: Did you know that a cat's brain is biologically more similar to a human brain than it is to a dog's brain? Both humans and cats have identical regions in their brains that are responsible for emotions. Wow! Now that's interesting!
